Cancer *R Us* is a **SAFE** and **FREE** web-site run by **free spirited Warriors** for all cancer and terminally diagnosed disadvantaged people, their family & friends!

We offer impartial advice and a forum for your concerns and your voice to be heard on all aspects regarding:

***Treatment options!***

***How to live after diagnosis!***

***How Hope & Humour can Help all patients!***

***A support Help-line for a 1-2-1 chat!***

**CALL OR VISIT US NOW FOR THE SUPPORT YOU DESERVE!**

support - help - advise
